

Name: _____ UCM ID: _____
 Major: _____ Minor: _____
 School: SSHA SNS SOE Undeclared Date: _____

- From your Academic Support Agreement you completed during your first meeting, what is your minimum term GPA needed to return to good standing (#4 on form)? _____
- By utilizing CatCourses and the GPA Calculator (http://registrar.ucmerced.edu/gpa_calculator). For this question, leave the *Total GPA Units Attempted* and *Total Grade Points* blank in the Calculate your Cumulative GPA section of the GPA Calculator. Now complete the tables below using the information from CatCourses and the GPA Calculator.

Fall 2020 Courses	# of Units	Current Letter Grades (based on CatCourses)	Grade Points
Ex: Math 005	4	B-	10.8

After you have entered all of your courses and current grades, review the GPA Report section at the top of the GPA Calculator page and enter the following information:

Total Grade Points: _____

Total # of GPA Units: _____

Grade Point Average: _____
 (This GPA is your semester GPA)

- For this question, do not edit the information you entered in the GPA Calculator, but now enter the Total GPA Units Attempted and Total Grade Points using your Academic Transcript. For help on finding these, visit the GPA Calculator Help: <https://registrar.ucmerced.edu/node/301>

Now that you have entered your current courses and their grades and your Total GPA Units Attempted and Total Grade Points into the GPA Calculator, enter the information displayed in the GPA Report:

Total Grade Points: _____

Total # of GPA Units: _____

Grade Point Average: _____
 (This GPA is your overall GPA)

- Is your calculated overall GPA (Answer to #3) higher than your minimum GPA (Answer to #1)? (Check one)
 - Yes, I will meet my target cumulative GPA with my current grades
 - No, I will not meet my target cumulative GPA with my current grades; I will need to set and/or act on my goals/strategize, etc.

*Please note that earning a term GPA above of a 2.0 may not put you in good standing if your cumulative GPA is under 2.0

5. Describe your academic participation in **Fall 2020**. Consider the following factors/activities:

- a. How often have you attended lecture and discussion thus far?

- b. Describe how you are taking notes in class/labs.

- c. How often are you able to keep up with your reading and homework assignments?

- d. What has been your experience with office hours and tutoring thus far?

- e. Have you tracked your grades in each class?

- f. Are you currently involved in clubs or sports? If yes, then how has your involvement impacted your academics?

What specific steps do you plan to take or continue this semester to improve your academic performance?
